

Summer Camp 2018

Welcome to the Extended Arms Randolph (EAR) Summer Camp, the most affordable camp on the South Shore. Although our fees are low, our staff provide high quality and unique programming.

Our mission is simple: To provide innovative programs that inspire, challenge and revolutionize young minds.

From beginning to end, students will have the opportunity to participate in engaging activities. Our summer camp counselors are trained, and prepared to not only keep campers safe and active, but to maximize their fullest learning potential. Counselors will lead groups, and activities designed to make students think critically and problem solve. Your child can look forward to daily activities including, but not limited to, **swimming, field games, basketball, arts and crafts, fishing, hiking, and field trips!** **Camp EAR kicks off June 18th!**

Camp EAR will also have electrifying live presentations such as: **interactive DJ's, bouncy houses and other cool surprises!** Throughout the summer, campers will also take weekly field trips to **Nantasket Beach, Crane Beach and Horseneck Beach.**

Camp EAR will be an unforgettable experience!

Get ready for another great summer!
