

# Teen Zone 2018

Teen Zone is designed to keep our middle school campers active and engaged. Teen Zone is based on 3 field trips per week. Teen Zone also explores hiking, boating, fishing and other nature themed activities.

Teen Zone was built for the adventurist camper, or camper looking for new experiences and the opportunity travel to new places! This year we will continue with our popular trips to New Hampshire, Maine, and, of course New York!

When Teen Zone is in camp, campers can expect to spend a lot of time playing team games, arts and crafts, film projects and other unexpected fun activities!

Teen Zone staff are enthusiastic adults, that are outgoing and full of adventure. They are CPR and First Aid Certified. This year Teen Zone will set new standards for teen camps. Not only is our camp full of fun, but also full of cultural learning and responsibility.

TeenZone is the perfect blend between traditional camp, but with a mix of modern adventure!

Please flip flyer for information regarding schedule, pick up, drop off and fees.

**GET READY FOR ANOTHER AMAZING SUMMER!**
